The Middle Atlantic Conference (MAC) Senior Scholar-Athletes are announced after the completion of each sport season. The awards are given to one senior student-athlete from each sport who exhibits top academic excellence and athletic prowess. The MAC Senior Scholar-Athlete award is based 50 percent on academics and 50 percent on athletic achievements. If a sport does not have a qualified nomination, the sport will not be awarded a recipient for that year. The award was established prior to the start of the 2000-01 season.

** From 2000-01 to 2004-05, the MAC Senior Scholar-Athlete award was only given to one male and one female in each of the three seasons (fall, winter, spring) for a total of six recipients per year. There were ties during some seasons. Beginning in 2005-06, the award was given to one recipient for each sport.

MAC SENIOR SCHOLAR-ATHLETES BY YEAR
