* In 2001, softball split into two difference conferences that competed in separate championships known as the the Commonwealth Conference (now MAC Commonwealth, est. 2016) and the Freedom Conference (now MAC Freedom, est. 2016).

- From 1994 to 2000, there were two leagues (Commonwealth League and Freedom League). The regular-season champion and No. 1 from each league squared off against the No. 2 seed from the other league and the winners then played for the MAC Title. [4-team playoff - double elimination]

% - From 1981 to 1993, there were two divisions and four leagues (Northern Division: Northeast/Northwest Leagues & Southern Division: Southeast/Southwest Leagues). The regular-season champion from each league squared off of in a one-game playoff for the Division Title. The two divisional champions then played for the MAC Title.

& - In 1980, the first year of conerence play, there was two divisions (Northern and Southern). The two divisional regular-season champions played a championship game for the overall MAC Title
